**Water User Agreement**  
**Residential (3/4") Meter**

I, \_\_\_\_\_, hereby make application to the East Johnson County Water Association, Inc. (hereinafter called Association) for membership in the Association and for water service at the following location:

This agreement is for members who will actually use the water when it is available and does not include "dry taps." In consideration of the Association undertaking the financing and construction of a water system, I agree:

- (1) To install and maintain at my own expense the necessary service line to cause the property described above, which is owned or occupied by me, to be connected with the water system at a point designated by the Association.
- (2) To begin using the water immediately after being notified by the Association that service is available, or to pay the minimum water bill each month for a period of 36 months or until I connect to the system. Failure to pay the minimum monthly bill until connection is made by me will result in a "disconnect" at the end of 60 days or any month thereafter in which the minimum bill is not paid. In the case a "disconnect" is declared by the Association, all deposits and payments made shall be forfeited. A new connection fee as required by the Association shall be charged when service is again requested.
- (3) To use the water in accordance with rules and regulations as established by the Association and to promptly pay for the water at the applicable schedule of rates.
- (4) To pay a non-refundable connection fee of \$650.00, to be charged applicant subscribing for water service prior to issuance of work on the system, and a meter deposit of \$100.00, said meter deposit being refundable in accordance with the rules and regulations of the Association.
- (5) The undersigned, if registered owner of real estate, agrees that he shall grant the Association an easement for the water lines over, under, or across any real property where the water lines are planned by the Association.

It is further understood that if for any reason the Association is unable to provide me with the service anticipated by this application, a pro-rata share after expenses, of my connection fee shall be refunded to me.
